

How to report a Hospice Death

Note: This document assumes that you have already logged into the Coroner.app portal. If you haven't and you need help, please see the login instructions for Coroner.app

STEP 1: Select Hospice Death Report from the app launcher

STEP 2: Enter decedents information

The screenshot shows a form for entering decedent information. The fields are: 'Decedent First Name: *', 'Decedent Middle Name:', 'Decedent Last Name: *', 'Decedents Home Address: *' (with a note 'include city, state, zip'), 'Decedent Sex at Birth: *' (with a dropdown menu), 'Decedent Race: *' (with a dropdown menu), and 'Decedent Date of Birth: *' (with a date picker). The form is enclosed in a blue border.

Required fields have a red *
